

The International Aviation Women's Association (IAWA) is an international organization for women who hold positions of impact in the aviation and aerospace industry.

Founded in 1988, IAWA brings together women of achievement and promotes their advancement throughout the world.

Mission Statement:

To cultivate and advance women leaders in the aviation and aerospace industries through a global network

**40 Countries
Represented**

**80+ Scholarships
Granted**

TESTIMONIALS

"Growing up in a culture that expected me to change myself to fit into a mold, IAWA strongly encouraged me to Fiercely and Fearlessly be Myself which empowered me greatly as a scholarship recipient. IAWA continues to be a strong and resilient Force, guiding, supporting and motivating me through different challenges and circumstances."

Divya Kamania

Sr. Avionics Engineer, Fedex

"IAWA opened the aviation industry to me in a way that highlights the strengths and value women bring to the table.

The organization pushed me to unapologetically embrace those attributes and use them to advance my career, not only finding a role I could fill, but a role that would also be fulfilling to me."

Kaitlyn Graham

*Lead, Operations Performance
Assurance, American Airlines*

"IAWA inspired me to realize my true potential and reignited my confidence to successfully achieve my next career goal!"

Savitha Krammer

Boeing Executive

Connect, Inspire and Lead

673 Potomac Station Dr, #801, Leesburg, VA 20176

ALLY WITH IAWA

Your alliance will help drive real change and progress on diversity, equity and inclusion which benefits the industry. This alliance is realized in the sharing of select content that has been created or curated by IAWA members and its allies. Alliance with IAWA provides you requisite recognition in print, social media and at our events to raise women in the industry and to eliminate gender disparity. You will also be recognized with connects or content that you share with IAWA through the alliance.
